Professional Overview

FREELANCE WEB & GRAPHIC DESIGNER | Morris Plains, NJ / Columbia County, NY 2007 to Present
Builds custom websites and refreshes existing ones. Establishes effective, collaborative relationships directly with clients from initial requirements gathering to completion. Utilizes WordPress and Shopify to develop well-architected, operable, and maintainable websites. Communicates with customers effectively to promote high customer satisfaction. Manages project deliverable dates and ensures timely completion. Designs brand-focused business identities that include logos, marketing emails, and business cards. Educates clients on brand implementation. Portfolio available at www.tedh.org

TARGET CORPORATION | Bridgewater, NJ 2004 to 2009
Reverse Logistics Specialist (2008 to 2009)
Responsible for shipping outgoing items including defective merchandise, overstock, and reusable items such as pallets, hangers, and cardboard boxes. Coordinated effectively with managers to remove recalled products from their departments. Credited for improving Bridgewater's reverse logistics score within the district from lowest to best and #2 in the group.

Planogram Team Member (2007 to 2008)
Partnered with team members to assemble displays and aisle configuration for product rollouts and overall store reconfiguration.

Sales Floor Team Member (2004 to 2007)
Assisted customers, stocked shelves, and maintained organized appearance of the store based on corporate guidelines.

FOUNDATION FOR ECONOMIC EDUCATION | Irvington-on-Hudson, NY 2004
Intern to IT Director
Member of a team of interns responsible for facilitating five student seminars and six fundraising events while managing daily duties. Effectively corrected software/hardware problems, processed large printer batches, did detailed data entry, and designed/sent email campaigns to a list of 10k+ subscribers. Performed Photoshop work including DVD covers and labels, retouching photos, creating a map of the grounds for visitors, and redesigning the foundation's magazine logo based on a legacy design.
